DATE: 25 February 1975

FROM : OC-E/SED/FAB

25X1

SUBJECT: Approval for the Distruction of Documentation
on the 8-PAC

1. Approximately 1 cu. ft. of space in our drafting area is being occupied by reproducibles for text, drawings, artwork, illustrations, photographs, etc. for the preparation of a System Manual on the Air-Transportable 8-PAC Communication System.

2. Since the approval to eliminate the 8-PAC was given at the 9 July 1974 Executive Board meeting, it is felt that there will no longer be any need to maintain the documentation associated with the 8-PAC.

3. Request authorization to destroy all documentation to the 8-PAC System Manual with the exception of two finished manuals. One manual will be put in the Records Center and the other in the Commo library.
